Further, career Cosmetologists, Estheticians and Instructors may find it necessary to work long hours, sometimes missing breaks and meals. It is not unusual for Cosmetologists, Estheticians, and Instructors to work more than 8 hours a day and/or more than 5 days a week - although these are the exceptions rather than the rule.

GRADES, TRANSCRIPTS & MORE

INSTRUCTOR SCHEDULING

In order to expose students to a variety of instruction, students will have multiple Instructors throughout their course.

TUTORING

Faculty and Staff are available for tutoring assistance. Arrangement for tutoring should be made with your Instructor.

GRADING SYSTEM

As an integral part of the learning process, Instructors are required to critique and/or grade the student's work.

The Ogle School Grading System is intended to assist Instructors in motivating and evaluating students, determining progress and achievement in the mastery of knowledge and skills.

GRADE REPORTS

A Grade Report is a current record of a student's academic progress. Grade Reports are distributed every six (6) weeks during a student's course schedule. Other instances that a student may request Grade Reports might include notification to a current prospective employer of a student's academic progress, loss of original Grade Report, or determination of grade point average. Students may request additional Grade Reports from the Student Service Coordinator. Grade Reports can be requested verbally or in written format and will be processed within 24 hours of the request.

If a student believes there is a discrepancy with a grade he or she should see the Instructor of the class in question within 10 days of the end of each 6 week period. If determined that a grade change is necessary, the Instructor will forward a request for grade change to the Student Service Coordinator. The Student Service Coordinator will issue a corrected student Grade Report.

TRANSCRIPTS

A transcript is an official document on the educational work of a student which lists the student's subjects; grades received, enrollment date range, and status of the student. Official transcripts are issued by the Student Service Coordinator and distributed to graduates at the time they receive their diplomas. Additional transcript requests may be made for the following reasons:

1. Submission to other institutions of higher education for the purpose of transfer of clocked hours,
2. Certification to an employer summarizing a student's enrollment and academic progress,

STUDENT'S RIGHT OF ACCESS/STUDENT RIGHT OF PRIVACY

STUDENT'S RIGHT OF ACCESS/STUDENT RIGHT OF PRIVACY

In accordance with the Family Educational Rights and Privacy Act of 1974 (FERPA), Ogle School has adopted the following policies and/or procedures. This policy was designed to protect the privacy of education records, to establish the right of students or guardian of a dependent minor student to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. This is a notice of students' basic rights under the law, and explains certain procedures for Ogle School's full compliance with the law.

Students or guardians of a dependent minor student may inspect and review their education records upon written request to the School Director (or designate). Students or guardian of a dependent minor student should complete the Request to Review Records/Release of Student Information form each time the student or guardian needs to access personal student information, which is available in the Student Service Coordinator's office, identifying as precisely as possible the records they wish to inspect. The School Director (or designate) will arrange for access as promptly as possible and will notify the student or guardian of a dependent minor student of the time and place where the records may be inspected and/or copied. Access will be allowed no more than 45 days after receipt of the written request. When a record contains information about more than one student, the student or guardian of a dependent minor student may inspect and review only the records that relate to him/her.

Ogle School reserves the right to refuse to permit a student or guardian of a dependent minor student to inspect the following records:

1. The financial statement(s) of the student's parents.
2. Education records containing information about more than one student, in which case Ogle School will permit access only to that part of the record that pertains to the inquiring student. (May seek release from other student(s) to reveal record).
3. Those records which are excluded from the FERPA definition of education records.

Ogle School reserves the right to refuse to provide copies of educational records (not required to be made available under FERPA) if the student has an overdue financial obligation to Ogle School, or if there is an unresolved disciplinary or academic dishonesty action against the student.

Ogle School will disclose to third parties information from a student's education/ financial records only with the written consent of the student, except in cases allowable under FERPA (including legal and accreditation purposes).

A student or guardian of a dependent minor student who believes that information contained in the education records is inaccurate, misleading, or in violation of their privacy rights may request in writing that the records be amended. A student or guardian of a dependent minor student should identify the part of the record she/he wants changed and specify why it is believed to be inaccurate, misleading, or in violation of privacy rights. A decision will be reached and the student or guardian of a dependent minor student will be informed within a reasonable amount of time after receiving the request. If the decision is not to amend the record(s), the student or guardian of a dependent minor student has the right to a hearing. The hearing will be conducted by a School official who does not have a direct interest in the outcome of the hearing. The hearing will be held within a reasonable amount of time after it is requested notifying the student in advance, of the date, place, and the School official will make a decision in writing based on the evidence presented at the hearing including a summary of the evidence and the reasons for the decision.

If the School official supports the complaint, the education record will be amended accordingly, and the student or guardian of a dependent minor student will be so informed. If the School official decides not to amend the education record, a student or guardian of a dependent minor student has the right to place in the education records a statement commenting on the challenged information and/or stating the reasons for disagreeing with the decision. This statement will be maintained as part of the education record as long as the contested portion is maintained, and whenever a copy of the education record is sent to any party, the student's statement will be included.

Ogle School's policy statement implementing FERPA is maintained by, and available for review in the Student Service Coordinator's office. Students or guardian of a dependent minor student should address questions, concerns, or problems to the Student Service Coordinator's Service Office. Students or guardian of a dependent minor student may file complaints regarding alleged failure of to comply with FERPA with The Family Policy Compliance Office, US Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-5920; (800) 872-5327.

EMPLOYER RELATIONS

The primary function of the Career Services Department is to establish and build an employer relations program for Ogle Schools. GRADUATION CEREMONIES

Graduation ceremonies may be held annually in which students and guests may be invited to attend. Graduation ceremonies are held for students who have met all graduation requirements.

SAFETY REQUIREMENTS

Safety (particularly in the areas of sanitation and sterilization) is important. Students are not only in touch-contact with clients but do so in a manner which involves the use of sharp/pointed tools and implements, chemical solutions, heat, light and electricity.

Students must be constantly aware of safety as it relates to the client. The use of proper sanitation is required to avoid the transmission of disease, and services involving chemicals and/or the application of heat demand constant vigilance.

STUDENT PARKING

While some student parking is provided (varies by campus), Ogle School cannot guarantee any student a parking space. Ogle School reserves the right to designate student parking areas and to enforce parking regulations.

STUDENT DISCOUNTS

Actively enrolled students receive a 25% discount on products and services. Ogle School graduates receive a 20% professional discount on products.

RIGHTS RESERVED

Ogle School reserves the right to add or withdraw any course and to make changes in curriculum, tuition, regulation, or any other published information as conditions warrant.

Any hours an Applicant accrued prior to the cancellation of an Enrollment Agreement, either by Applicant or School, at any Ogle School location will not be recognized or accepted as transfer hours or prior hours earned as an Ogle School student.

We highly recommend you pay any balance for previously received cosmetology hours before class commencement. The Texas Department of Licensing and Regulation will not allow a student to become licensed if they owe tuition for hours transferred from a prior school.

TRANSFERABILITY OF HOURS

All higher institutions reserve the right to determine which hours they will accept from another institution. The transferability of hours you earn at Ogle School is at the complete discretion of an institution to which you may seek to transfer. Approval for readmission is determined by the Appeals Board and is based on education, schedule and space availability. Ogle School

reserves the right to deny readmission following termination or withdrawal for any reason. If readmission approval is granted, the applicant may be required to submit a new Registration Fee (if applicable), sign a new Enrollment Agreement and pay additional tuition, books, supplies and equipment costs (if applicable). If a student withdraws and has been charged 100% of their Agreement price, a student in good standing (financial, academic and behavioral) may be eligible to return to the course during the following forty-eight (48) month period without any additional tuition costs. If a student withdraws and has been charged less than 100% of their agreement, the student may be eligible to return to the course, and may incur additional tuition costs.

This policy does not apply to Ogle School students seeking a transfer to another Ogle School location or a change in enrolled course. In this case, student will be considered a new applicant requesting transfer of prior hours. The Student Accounts Department can explain the financial implications of transferring, based on your individual circumstances. Ogle School reserves the right to deny a transfer request for any reason including, but not limited to attendance, behavior or academic performance.

APPEALS BOARD

A student may appeal his or her dismissal and/or request readmission by completing a Request for Readmission form available from the Student Services Coordinator. After consideration of the student's academic and financial aid files, the Appeals Board comprising the School Director, Student Service Coordinator, Admissions Representative and a Financial Planner will review and render a ruling on the Request for Readmission. If the student is dissatisfied with the Appeals Board's ruling, the student has the right to escalate the Request for Readmission to the School's Vice President of Education. SCHOLARSHIP & FEE WAIVERS

Ogle School reserves the right to offer tuition scholarships and waive fees to eligible students, employees and immediate relations of employees of Ogle School Management, LLC. and its various divisions.

SCHOLARSHIPS/GRANTS

President Scholar Award, Beautiful Future Award, Ogle School Institutional Grant.

RETURN OF FEDERAL STUDENT AID

If a student withdraws or is dismissed from Ogle School, the School and/or the student may be required to return a portion of the Federal Student Aid received. The last date of attendance is used to calculate the amount of any federal student aid that must be returned.

The amount of Federal Student Aid a student has earned at the time of withdrawal is equal to the percentage of the payment period completed. The percentage of the payment period completed is determined by dividing the number of hours the student was scheduled to complete in the payment period, as of the last date of attendance, by the total number of clock hours in the payment period.

For that payment period, if the number of hours scheduled to complete in the payment period is greater than 60% of the

clock hours in the payment period, the student has earned 100% of the Federal Student Aid, no return is due. If the number of clock hours scheduled to complete in the payment period is less than 60% of the clock hours in the payment period, a return of Federal Student Aid may be necessary. The amount of Federal Student Aid to be returned is calculated by subtracting the amount of earned Federal Student Aid from the total amount of Federal Student Aid received.

The student is required to return any unearned Federal Student Aid less the amount returned by Ogle School. If a student needs to return loan funds, the funds are repaid as required by the normal loan repayment phases. If the student is required to return Federal Student Aid, Ogle School will notify the student of the repayment amount within thirty days of determining the student withdrawal. If the student fails to return the grant aid as instructed, the student is considered to be in overpayment and thus ineligible for any additional Federal Student Aid at any school until that amount is repaid to the U.S. Department of Education or satisfactory repayment arrangements are agreed to by the student and the U.S. Department of Education.

Ogle School returns unearned Federal Student Aid within forty-five (45) calendar days of the date the School becomes aware the student is no longer enrolled.

If a student has earned more Federal Student Aid than has been posted to his/her account, the student may be entitled to a post withdrawal disbursement of Federal Student Aid. The post withdrawal disbursement is first used by the School to pay outstanding charges; any remaining amount is offered to the student or parent borrower. Ogle School will send the borrower a written notice of any loan funds returned to the lender as a result of the withdrawal calculation. A student borrower who fails to attend in-person exit counseling prior to or at the time of withdrawal will be mailed loan counseling materials. The borrower should complete the exit counseling form and return it to the School.

The Return of Federal Student Aid Policy applies only to the Federal Student Aid Programs. Assistance received from other aid programs will be returned to those programs in accordance with the funding source's refund policies.

The Return of Federal Student Aid calculation is performed to determine the amount of Federal Student Aid that must be returned to the U.S. Department of Education. It is not used to calculate the amount of tuition and fees a student will owe the School upon withdrawal. A separate refund policy is provided to assist students in determining the amount of tuition and other charges owed to Ogle School.

If the student has a remaining balance owed to Ogle School after all refund calculations are completed, whether the student withdraws or the School withdraws the student, there may be a 15% interest fee added to the owed remaining balance.

Ogle School will send an invoice to withdrawn students if a balance is owed the School. Any balance due will be calculated by determining earned charges using the institutional refund policy, and then subtracting the amount of earned aid as determined using the return to federal student aid policy.

FINANCIAL PLANNING POLICIES

CANCELLATION & SETTLEMENT POLICY/ REFUND POLICY

(a) Termination Date: Termination date is determined by the postmark date on written notification or the date Student notifies the School Director (or designate) in person of his/her intent to withdraw or the date of withdrawal specified in writing by Student, whichever is later. Legal Guardian/Guarantor of Students under eighteen (18) years of age must provide such notice of cancellation. A withdrawal does not relieve Student and Legal Guardian/Guarantor, if any, of financial responsibilities under the phases of this Enrollment Agreement. For unofficial withdrawal students are determined by no longer attending school through monitoring clock hour attendance at least every 30 days. Expelled (dismissed) students will be determined by the institution by monitoring attendance at least every 30 days.

(b) Refund Calculations: For the purpose of refund calculations, a refund is based on the period of Student's enrollment computed on the basis expressed in actual clock hours. The effective date for refund purposes is the earliest of: the last date of attendance (if student is withdrawn/dismissed by the School), or the date the license holder receives the notice of withdraw. Refunds will be made within forty-five (45) days of the date Student officially withdraws or is withdrawn from attendance, or in the case of an unofficial withdrawal, within forty-five (45) days of the date School determines that Student has unofficially withdrawn.

(c) Rejection, Three-Day Cancellation, and Course Cancellation: If Student is rejected by School before Course commencement, or if Student cancels in writing either in person or via signed and dated statement postmarked no later than midnight on the third (3rd) day after the date the Enrollment Agreement is signed, excluding Saturdays, Sundays and legal holidays, all amounts paid will be refunded, regardless of training. If Course is cancelled by School prior to commencement, all amounts paid by Student will be refunded.

In cases of cancellation of this Enrollment Agreement, either by Student or School, after Student has commenced the Course and after the fifth (5th) scheduled Course day, a percentage of the tuition is retained by School and/or refunded to Student per School's Tuition Adjustment Schedule.

(e) Student Financial Aid Refund Allocation: Refund and repayment

amounts must be distributed according to a specific order of priority prescribed in law and regulations. School's refund or repayment allocation may not deviate from the prescribed order. Refunds on behalf of Student Financial Aid recipients must be distributed in the following order: 1) Direct Unsubsidized Stafford Loans; 2) Direct Subsidized Stafford Loans; 3) Direct PLUS Loans; 4) Federal Pell Grants; 5) FSEOGs; 6) Other SFA Programs; 7) The Student.

A first-time Student that withdraws within twenty-one (21) calendar days of Agreement Start Date is entitled to a refund of all tuition paid. A prior Ogle School Student or first-time Student withdrawing after the twenty first (21st) calendar day from Agreement Start Date will use the following schedule to calculate the refund of unearned tuition.

1. Students who withdraw after first 21 calendar days of the program up to completion of 75% of the payment period for which they are charged will receive a pro rata refund of tuition.
2. Students withdrawing after completing more than 75% of the period of enrollment for which they are charged will not receive a refund of tuition.

The period of enrollment completed by the student is calculated by dividing the total number of clock hours in the period of enrollment into the clock hours in the period that the student completed. The period of enrollment for students is the Title IV payment period. Payment periods for each program are as follows:

	Cosmetology	Esthetics	Instructor
Payment Period I	0 to 455	0 to 375	0 to 500
Payment Period II	455.01 to 910	375.01 to 750	n/a
Payment Period III	910.01 to 1,205	n/a	n/a
Payment Period IV	1,205.01 to 1500	n/a	n/a

*Refunds for student with transfer hours will be based on their individual payment periods.

STUDENT POLICIES

CONDUCT AND EMPLOYABILITY STANDARDS

Appearance, attitude and professional behavior are important elements of the student's career preparation and job success.

1. When a student's appearance and/or attitude is in opposition to the career education goals to which the School's academic and placement assistance are dedicated, the student may be advised, dismissed for the day and/or placed on probation. If no progress is shown during the probation period, the student may be dismissed.
2. When a student's behavior interferes with the rights of others, disrupts and/or prohibits the learning process of other students, or is in opposition to policies and rules of the classroom and the School, the student may be advised, dismissed for the day and/or placed on probation. If no progress is shown during probation period, the student may be dismissed.
3. When a student is guilty of negligent and/or careless acts and/or omissions in the learning process so as to endanger or to cause injury to another person or property, the student may be advised, dismissed for the day and/or placed on probation or may be automatically dismissed.
4. Under certain circumstances, a student's conduct may warrant immediate dismissal. Examples of this include, but are not limited to:
 - a. Engaging in verbal threats, intimidation, use of foul or profane language, physical threats, sexual assault, physical violence, racial or sexual harassment in or around the School.
 - b. Possession of weapons, firearms and knives while on School property or when involved in any School sponsored activity.
 - c. Possessing, distributing or using alcohol and/or illegal drugs in or around the School.
 - d. Vandalizing, stealing or being in possession of stolen property.
 - e. Falsifying personal information on School documents and/or presentation of forged documents.

NON-FRATERNIZATION

Instructor course students are prohibited from fraternization with non-instructor students, either during regularly scheduled course hours or at any other time. Under no circumstances will Instructor students provide or accept transportation from non-instructor students, or provide their home phone or cell phone numbers to non-instructor students. This policy includes the use of School facilities designated for non-educational use, such as designated break and smoking areas. Instructor students must use facilities designated for Faculty and Staff. Fraternization with non-instructor students is considered unprofessional behavior and subject to corrective action up to and including dismissal from Ogle School.

ALCOHOL AND DRUG PREVENTION

Ogle School in its policies supports and endorses the Federal Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act Amendments of 1989. The unlawful manufacture, distribution, dispensation, possession or use of a controlled substance or abuse of alcohol by anyone on Ogle School property or as a part of any Ogle School activity is prohibited. Students taking prescribed or over-the-counter medication which may affect functioning should inform the School Director or Campus Security Authorities.

SEXUAL MISCONDUCT PREVENTION AND RESPONSE

If a final determination is made that any student of Ogle School is found to be abusing alcohol or using, possessing, manufacturing or distributing controlled substances in violation of the law on Ogle School property or at Ogle School events, they shall be subject to, at a minimum, the referral to counseling and automatic and immediate suspension or dismissal from School. Ogle School imposed sanctions are additional to any legal actions taken by local, state or federal authorities.

Ogle School is committed to complying with all laws that prohibit discrimination on the basis of sex in admission to, employment with, and otherwise in the operation of its educational program and activities. Among the applicable laws, Title IX of the Education Amendments of 1972 prohibits sex discrimination and sexual harassment in schools. In compliance with Title IX, Ogle School is committed to ensuring that all its students have equal opportunity to benefit from our program and activities, and that all its employees enjoy equal employment opportunity, free from sex discrimination and sexual harassment. The protections of Title IX also extend to third parties. Ogle School has developed a Title IX policy and the associated processes (please view the full Title IX policy at <http://www.ogleschool.edu/disclosures/OSM-601-Title-IX-Policy.pdf>) to ensure that all complaints of sex discrimination and sexual harassment—whether brought by students, employees, or third parties—are promptly investigated and, where a violation is found, that Ogle School takes action to end the conduct, prevent its recurrence, and address its effects.

Sexual harassment is unwelcomed advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature, when submission to or rejection of this conduct explicitly or implicitly affects a person's employment or education, unreasonably interfered with a person's work or educational performance, or creates an intimidating, hostile or offensive working or learning environment.

Individuals who believe they are victims of sexual harassment should make it clear that such behavior is offensive to them. If the behavior continues, document the matter and refer it to Campus Security Authorities.

STUDENT POLICIES

Responsible employees must promptly report sexual harassment that they observe or learn about.

Students who are found to be participating in any form of sexual harassment will be subject to disciplinary action, including but not limited to suspension or dismissal from school.

Any student, employee or other person who believes that he or she has been subjected to any form of sex discrimination, sexual harassment, or sexual assault in violation of this policy should make a complaint. Ogle School takes all such complaints seriously.

Ogle School strongly encourages any person who wishes to make a complaint under this policy to bring that complaint directly to Ogle School's Title IX Coordinator. However, a student may also bring such a complaint to an Admission Representative, Instructor, School Director, or staff member with whom he or she is comfortable. Likewise, an employee may bring such a complaint to their immediate supervisor, another manager, or a human resources generalist. In each case, the complainant should understand that the complaint will be forwarded to the Title IX Coordinator.

Title IX Coordinators:

A central Title IX Coordinator will be located at the Campus Support Center to assist with the coordinator at the campuses. Title IX Coordinators at each campus have been designated as the Student Service Coordinators. Please see the Administration and Faculty page to find the current Student Service & Title IX Coordinators.

If you believe you have been sexually assaulted, your first priority should be to get to a place of safety. Ogle School strongly advocates that a victim of sexual assault report the incident in a timely manner.

Please familiarize yourself with Ogle School's Title IX Policy & Procedures which can be found on our website at: <http://www.ogleschool.edu/disclosures/OSM-601-Title-IX-Policy.pdf>

STUDENT CONDUCT

Time is a critical factor for evidence collection and preservation for the proof of a criminal offense. An assault should be reported directly to local police and/or Campus Security Authorities. Upon request, Campus Security Authorities will assist victims in reporting incidents of sexual assault to local police. Filing a police report will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers. Ogle School seeks to handle each complaint and investigation with professionalism and

discretion. A fair and effective investigation often requires that the details of the complaint and/or the identity of the complainant be shared with those individuals involved in and/or interviewed in the investigation. Such individuals will, however, be expected to maintain the confidentiality of the matter to the extent possible.

You can obtain information about rape awareness and prevention, victim support, counseling and mental health from the Rape, Abuse, and Incest National Network, at 1-800-656-HOPE (4673) or their website: <http://www.rainn.org>. Ogle School does not offer on-campus counseling services.

In the event a student has been apprehended for the violation of a law in the community, state or nation, the School will not request nor agree to special consideration for that individual because of his or her status as a student. The School will cooperate fully with law enforcement and other agencies in the enforcement of the law.

CONSTRUCTIVE INSTRUCTION

Any student disrespect or lack of cooperation toward Instructors as a result of constructive criticism will be regarded as exhibiting unprofessional behavior and may result in the student being withdrawn from School.

CLASSROOM AND CLINIC ASSIGNMENTS

Students are required to remain with their Instructor in their classrooms or assigned work areas unless at scheduled lunch or break.

There will be a charge for all services and products provided to clients unless otherwise approved in advance by the School Director (or designate). Students cannot bring into the School any beauty product not sold or carried at Ogle School nor should students advise clients to do so.

Stations are assigned at the beginning of each client service, for the duration of that service and may be reassigned at the discretion of School Staff. All equipment and personal belongings must be stored in the student's assigned locker or roll-around.

Daily sanitation is a part of students' learning program and must be completed each day to the satisfaction of their Instructor before student departs for the day. Students must adhere to all TDLR Health and Safety Standards as outlined in the published rules and regulations. Students may be required to perform additional cleaning and sanitation duties within the establishment to maintain a clean and safe environment for all students, staff and clients. Those duties may include sweeping, mopping, wiping down surfaces and walls, laundry, and emptying trash containers. Duties may vary by campus and program. Students are responsible for keeping stations, mirrors, lockers, roll-arounds, chairs, clinic, classroom and public areas in a neat and sanitary condition at all times. Implements must be sanitized before and after every use. Students must sanitize work stations and remove hair by sweeping before they style.

STUDENT POLICIES

EQUIPMENT & PERSONAL BELONGINGS

Each student is responsible for his or her own equipment, books and personal belongings and is provided a locker or roll-around for storage of these items. Purses, coats, bags, backpacks and other personal belongings must be kept in a locker or roll-around at all times during School hours. Ogle School is not responsible for lost or stolen items and it is the student's responsibility to replace any missing equipment or supplies at his or her own expense.

Students are required to have the equipment they need to complete services and assignments. If a student chooses to take these items home, it is the student's responsibility to bring them back to School. Students who do not come to School with their equipment will not be allowed to attend until they bring their equipment.

LOCKERS & ROLL-AROUNDS

Each student is assigned a locker or roll-around at course commencement. Students assigned a locker must use a combination lock to secure equipment and personal belongings within their locker and provide the Student Service Coordinator with the lock's combination. Students assigned a roll-around will be provided with a key to secure equipment and personal belongings within their roll-around.

Lockers and roll-arounds are for use by current, active students only. Students must remove all belongings from their assigned locker or roll-around immediately upon graduation, termination or withdrawal from Ogle School. Items found to be stored longer than 30 days since the student's last day of attendance or in unassigned lockers or roll-arounds will be discarded.

Lockers and roll-arounds are the property of Ogle School and may be formally inspected at any time. Students are required to organize, clean and sanitize their lockers and roll-arounds daily. Care must be taken not to mix unsanitary personal belongings (food, money, and clothing) with sanitized implements and equipment. Students who damage lockers and roll-arounds will be required to pay the cost of repairing or replacing the locker or roll-around. Students may not remove School equipment from the School at any time.

ATTENDANCE

A student is considered to be absent during any unattended portion of their regular schedule. (See Course Schedule) Any absence will interfere with your learning process. Students must inform the School of any planned absence by completing a Student Absence Notice prior to the date of the planned absence. In cases of illness, emergency or other unforeseen absence, the student is required to call their campus's Student Service Coordinator no later than thirty (30) minutes prior to their course's scheduled start to notify their Instructor, Salon Manager and clients of their absence.

- Excessive Saturday absences, failing to contact the School in the event of an absence and/or over-attending will result in corrective action up to and including immediate dismissal from Ogle School.

- Students absent five (5) consecutive regularly scheduled course days without contact will be immediately dismissed from Ogle School on the 6th scheduled day of non-attendance.

Our internal Ogle School Attendance Policy is defined as 90% or higher of scheduled hours as per enrollment agreement. If a student is in jeopardy of going below 90% attendance, the student will receive a written notice. Students with an attendance percentage below 90% will be placed on advisory (final notice) for the current phase.

Students absent ten (10) consecutive regularly scheduled course days with contact will be immediately dismissed from Ogle School on the 11th scheduled day of nonattendance.

The student withdrawal date for any student that withdraws or is dismissed from Ogle School will be the last date of attendance. Attendance Percentage is calculated by taking the total hours attended divided by the scheduled hours.

Examples:

a)
Hours Attended= 97.88
Absent Hours= 17.90
Scheduled Hours= 110.00
Attendance Percentage= 88.98%

$97.88/110.00=88.98\%$

b)
Hours Attended= 505.57
Absent Hours=37.68
Scheduled Hours= 520.00
Attendance Percentage= 97.23%

$505.57/520.00=97.23\%$

CHILD CARE RESOURCES

Students are prohibited from bringing their children to School during their scheduled course time and/or while earning clock hours. Please make appropriate arrangements for child care. The Student Services Department is available to assist you in finding child care resources.

TIME CLOCKS AND CLOCK HOURS

Student hours are recorded on a time clock each day. It is the responsibility of students to use the time clock correctly. Failure to do so may result in loss of clock hours. To receive full clock hour credit, a student must clock IN when beginning the day, when returning from breaks and returning from lunch AND clock OUT when leaving for a break, leaving for lunch and/or ending the day. Students, regardless of enrolled course or schedule, may not clock more than their scheduled hours on any given scheduled course day, with the exception of approved field trips, unless prior approval is given by a School Director or designate.

STUDENT POLICIES

Students must be engaged in a learning activity at all times while earning clock hours. Students not engaged in a learning activity or students that are on break or at lunch must be clocked out. Any student found to be not engaging in a learning activity, in the break room or outside the facility while clocked-in or in violation of any part of 16 Texas Administrative Code, Chapter 83.72(i) (1-4), as posted at each time clock, may be subject to corrective action up to and including immediate dismissal from Ogle School.

Instructors and/or the School Director (or designate) will communicate daily with students in areas of attendance and dependability. At a minimum, students will be notified of their earned clock hours each month. If students have questions about total time, they should speak with the Student Service Coordinator.

BREAKS

On days a student is regularly scheduled to attend five (5) or more hours, regardless of enrolled course or schedule, the student is required to take a 30 minute lunch and two (2) 15 minute breaks as scheduled throughout that day.

On days a student is regularly scheduled to attend less than five (5) hours, regardless of enrolled course or schedule, the student is required to take a 15 minute break as scheduled throughout that day.

Students must be "clocked-out" when taking a lunch or outside of the building for other breaks. Lunches and breaks may not be used together.

STUDENT BREAK AREAS

Each campus has designated student break areas. No eating or drinking is permitted anywhere in the School other than assigned break areas.

NON-SMOKING

While on School property students may smoke in designated student outdoor smoking areas only. Smoking is prohibited in the School.

BUSINESS TELEPHONES

Students are prohibited from using business telephones for personal telephone calls except for extreme emergencies as determined by the School Director (or designate).

ELECTRONIC DEVICES

Ogle School encourages students to use electronic communication devices for educational purposes. These devices include but are not limited to the following: cell phones and other electronic devices. Students may utilize electronic communication devices at School and at School activities when the Instructor deems appropriate for educational purposes. Personal, non-educational use of electronic devices is permitted during breaks or lunch only in designated break areas. All other uses of electronic devices in the School are prohibited with the possessing student subject to the disciplinary measures outlined in the Conduct and Employability Standards.

Use of electronic devices during the administration of any test or exam is prohibited, unless specifically required by the Instructor or School for an educational purpose. It is recommended that students do not bring electronic devices to testing areas. If a student is found to possess an electronic device during testing, student test results may be invalidated and student will be subject to disciplinary measures outlined in the Academic Dishonesty policy.

UNAUTHORIZED DISTRIBUTION OF COPYRIGHTED MATERIAL

Ogle School does not condone and will not tolerate the unauthorized copying, downloading, publishing, distribution or use of copyrighted material. Students who engage in illegal downloading or unauthorized distribution of copyright materials using the schools information systems will receive an advisement up to and including dismissal from Ogle School. STUDENT POLICIES

EXTRA INSTRUCTIONAL CHARGES

We believe the best interests of students are served when they attend School regularly, receive a consistent education, graduate as scheduled and begin timely employment. Therefore, Ogle School will take any and all persuasive steps within its rightful authority to promote regular student attendance.

1. Students with less than 90% cumulative attendance will be advised of probable extra instructional charges.
2. The hourly rate for the Cosmetology Course is \$11.30 per hour.
3. The hourly rate for the Esthetics Course is \$12.00 per hour.
4. The hourly rate for the Instructor Course is \$5.00 per hour.
5. All accrued extra instructional charges are due and payable the day following the End Date of the Student's Enrollment Agreement.

The School reserves the right to dismiss and/or withdraw a student from participating in School until all extra instructional charges are paid.

MAKE-UP WORK

We place a heavy emphasis on regular attendance. However, in the event that students, due to absenteeism or other factors, are not able to complete assigned work when due, it is the student's responsibility to schedule make-up activities with their Instructor.

1. All assignments and tests are required to be completed and handed in on time. If late, a 10 percentage point reduction in grade is made.
2. Students missing examinations with an excused absence (Doctor's note, Jury Duty, Court date), will be permitted to make-up the exam on the regular scheduled test day. See your Instructor for the schedule. It is the student's responsibility to arrange testing time with their Instructor.

SATISFACTORY ACADEMIC PROGRESS POLICY

The intent of Ogle School's Satisfactory Academic Progress Policy is to be fair, reasonable and consistent in effectively evaluating the Student's measurable progress toward successful completion of their course instructing them to be successful in their chosen career. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

The training will include attendance, dependability, organizational skills, professional image, conduct, teamwork and cooperation. Student training is measured and communicated by; 1) Attendance, and; 2) Academic Grades.

1. Satisfactory Academic Progress is a requirement for all students enrolled in Ogle School. All students must maintain an academic grade (grade point average) and average cumulative attendance of 70% to be considered making satisfactory academic progress and to complete the scheduled course within the maximum time frame.

2. The maximum time a student has to complete is 143% of the course length. All minimum course lengths are determined by The Texas Department of Licensing and Regulation. Students who have not completed the course within the maximum time frame may continue as a student at the institution on a cash pay basis.

COURSE MAXIMUM TIME ALLOWED	WEEKS SCHEDULED	HOURS
Cosmetology (Full time, 35 hrs/wk) 1500 Hours	61 Weeks	2143
Cosmetology (Part time, 21 hrs/wk) 1500 Hours	102 Weeks	2143
Esthetics (Full time, 35 hrs/wk) 750 Hours	31 Weeks	1071
Esthetics (Part time, 17.5 hrs/wk) 750 Hours	61 Weeks	1071
Instructor (Full time, 35 hrs/wk) 500 Hours	20 Weeks	714
Instructor (Part-time, 17.5 hrs/wk) 500 Hours	41 Weeks	714

3. The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 70% of the scheduled hours. Students are evaluated for Satisfactory Academic Progress as follows:
 - a. Cosmetology 455 hrs & 13 wks, 910 hrs & 26 wks, 1205 hrs clocked (actual) hours & 35 wks
 - b. Esthetics 375 hrs & 11 wks
 - c. Instructor 250 hrs

For evening programs the number of weeks when students are evaluated are as follows: Cosmetology 22 wks, 44 wks, 59 wks, / Esthetics 21.5 wks.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have ample opportunity to meet both the attendance and academic progress requirements of at least one evaluation by midpoint in the course. Evaluations periods are based on actual hours completed.

4. A student's grade point average is determined by;
 - a. Theory exams;
 - b. Practical exams, and;
 - c. Practice activities.

Grade	Points	Definition	Percentage
A	4 pts	Excellent	90% to 100%
B	3 pts	Very Good	80% to 89%
C	2 pts	Passing	70% to 79%
D	1 pts	Needs Improvement	60% to 69%
F	0 pts	Unsatisfactory	Less than 60%

STUDENT POLICIES

Students meeting the minimum requirements (70%) for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning.

- Attendance is evaluated on a cumulative basis. At each evaluation point, the attendance for the period will be added to the attendance from the preceding periods to determine whether the student will complete the course within the maximum time frame established in this policy. Total hours earned beginning the first day of course commencement and ending the last day of the completed period (phase) divided into the student's scheduled hours beginning the first day of course commencement and ending the last day of the completed period (phase).

$$\text{Student's Actual Hours Attended} \div \text{Scheduled Hours} = \text{Cumulative \% of Attendance}$$

- If the student's attendance and/or academics fall below 70%, they will be placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met the attendance and academic requirements, he/she will be dismissed from the program.
- In the event the student withdraws, or other official interruption, the student, upon returning to School, maintains the status as of the time of departure.
- Withdrawals and incompletes have no effect upon the School's qualitative Satisfactory Academic Progress standard. All hours attempted within a progress report period are used in assessing if the student meets quantitative Satisfactory Academic Progress standard. Ogle School does not allow students to repeat courses and does not offer remedial or English as a Second Language (ESL) courses.
- With regard to Satisfactory Academic Progress, a student's transfer hours accepted by Ogle School will be counted as both attempted and earned hours for purpose of determining when the allowable maximum time-frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

RE-ESTABLISHING ELIGIBILITY

Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. The student whose financial aid has been terminated for unsatisfactory progress will not be paid any additional financial aid until she/he has completed the hours previously paid for with a 70% Cumulative Grade Point Average (CGPA) and will be able to complete the program within the maximum time frame.

FINANCIAL PROGRESS

Students must meet or be current with all financial obligations to Ogle School as specified in their payment plan prior to graduation. It is expected that the student will comply by providing all necessary requested information and/or forms. Also, if monthly payments are budgeted, they are to be submitted on or before the statement due date to maintain satisfactory financial progress.

If a student fails to meet his or her financial obligation, he or she will receive a warning. If the financial situation is not satisfied, the student will be dismissed.

The student may appeal his or her dismissal and/or request readmission per Ogle School's Appeals Board Policy.
