CARES Act: Higher Education Emergency Relief Fund – Student Grants

Guidance on approved usage of funds

The student grants have been delivered to your campus. A campus employee will reach out to you to schedule a day to pick up the check.

These grants awarded to Title IV participating students during the COVID-19 pandemic are to be used following these guidelines from the Education Department:

Any money awarded from this grant is to be used for expenses related to the disruption of campus operations due to coronavirus. These expenses include eligible expenses under a student's cost of attendance in the calculation of Federal Financial Aid, such as food, housing, course materials, technology, health care, and child care. The money received is intended to cover expenses related to the disruption of campus operations.

By signing the form attesting to receipt of the student's grant, s/he attests to the above as well.

Sincerely,

Jeff S. Long
